# Google Project Management

Those who earn the Google Project Management Certificate have completed six courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for introductory-level roles in Project Management. They are competent in initiating, planning and running both traditional and agile projects.

**Foundations of Project Management**

**Project Initiation: Starting a Successful Project**

**Project Planning: Putting It All Together**

**Project Execution: Running the Project**

**Agile Project Management**

**Capstone: Applying Project Management in the Real World**

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
